

BRAND GUIDELINES

THE BRAND

AirConnect is a new airline incorporated in Romania by 5 private investors driven by the desire to serve the regional market in the country.

One of the most important ways of expressing our brand is through our identity. It reflects our values, quality and service that can be expected from AirConnect.

These brand guidelines explain different elements that make up our identity and describes how they work together.

It is essential therefore that these guidelines are followed at all times and applied correctly.
